1. The Court scheduled this Conference at the request of the parties in order to discuss the impact of the decision from the Southern District of Indiana on the current proceedings. Plaintiff's counsel stated that the case is now poised to move forward. Fact discovery is virtually done and some portion of expert discovery has been done. The parties are in the process of analyzing whether they need further discovery.
2. Defendants' counsel stated that plaintiff previously designated six medical providers which he characterized as his "hybrid" expert witnesses. One of those providers was deposed. At that point, the case was stayed by this Court.
3. The Court directed counsel to confer and within the next 14 days to submit a proposal as to how the remainder of the expert discovery should be scheduled. In that submission, counsel are to address any exchanges of expert reports, as well as depositions of any experts.
